

## DISCOVER YOUR FLOORING AND DECKING SOLUTIONS WITH OUR RANGE OF SERVICES

### THE BEAUTY OF OUR WOOD FLOORING SOLUTIONS.

Discover the timeless elegance of solid wood flooring for your home or office. We take flooring seriously, offering only the best quality products.

Our Fin Oak engineered hardwood flooring range is popular with its beautiful character, durable finish, and versatility.

We are proud to be the only supplier and installer of products that outlive their original warranty. So investing in a quality solid wooden floor will add value to your property and last for years to come.

### ADVANTAGES OF OUR FLOORING.

Our engineered hardwood flooring offers numerous advantages for your home or office space. Below are some examples:

- **Environmentally Friendly:** Our manufacturing process uses less precious wood.
- **Pre-Finished:** Quick and easy installation. No waiting period to walk on your new flooring.
- **Long Lasting:** Our planks can be sanded up to 3 times in their lifecycle, guaranteed lifespan.
- **Stable:** Our rigid planks resist warping and bending.
- **Locking System:** Our tight-fitting locking system guarantees that water is less likely to penetrate. Easy removal and re-installation of damaged or required planks.
- **FSC Certified:** Our commitment to environmental sustainability is reflected in our Forest Stewardship Council certification, promoting responsible forest management globally.

## VINYL FLOORING: DURABLE AND STYLISH SOLUTIONS FOR YOUR HOME OR OFFICE.

Vinyl flooring is a high-quality synthetic flooring available in plank form. A manufactured rigid core board treated with a decorative layer of vinyl that gives it a look you desire.

A transparent protective layer (AC layer) guarantees that your vinyl floors are durable and stain-resistant. With our vinyl flooring, you'll get the perfect blend of aesthetics and functionality.

Also, our commitment to sustainability means that we only source our products from reputable suppliers, so you can rest easy knowing that your flooring is environmentally friendly and of the highest quality.

## ADVANTAGES OF OUR FLOORING.

Vinyl flooring offers many advantages, making it an excellent choice for any space.

- **Soft surface:** Its softer surface makes it quieter underfoot.
- **Variety:** We offer a wide range of vinyl planks in thickness and width to fit any room.
- **Long-lasting:** Our vinyl flooring is highly durable and is well-known in the flooring industry to stand the test of time.
- **Plus, it's 100% waterproof,** making it easier to clean and maintain.
- **Trouble-free maintenance,** you only need to sweep and mop, giving you more time to enjoy your beautiful new floors.

## LAMINATE FLOORING: AFFORDABLE AND DURABLE FLOORING SOLUTION

Conway Flooring and Decking offer exceptional quality laminate flooring. A popular and affordable option for homes and offices.

This multi-layer synthetic material is fused in a lamination process. It features a photographic print layer under a transparent protective film that imitates the natural look of wood.

Our laminate flooring is designed to last, providing a durable and stylish solution that won't break the bank. In addition, we are committed to providing sustainable and eco-friendly options; our laminate flooring is no exception.

## ADVANTAGES OF OUR FLOORING.

Our Laminated Flooring Advantages.

- **Variety:** Our wide range of beautiful, high-quality laminated flooring options allows you to find the perfect fit for your space.
- **Easy Cleaning:** Simply dust or vacuum, followed by a damp mop or cloth.
- **Hypoallergenic:** Our laminated flooring does not absorb dust or promote the growth of dust mites and micro-organisms, making it ideal for those with allergies.
- **Affordable:** Our laminated flooring costs a fraction of the price of natural wood without compromising on quality.

## ENHANCE YOUR OUTDOOR SPACE WITH LONG-LASTING COMPOSITE DECKING

Composite decking is the perfect solution for low-maintenance and long-lasting outdoor entertainment areas.

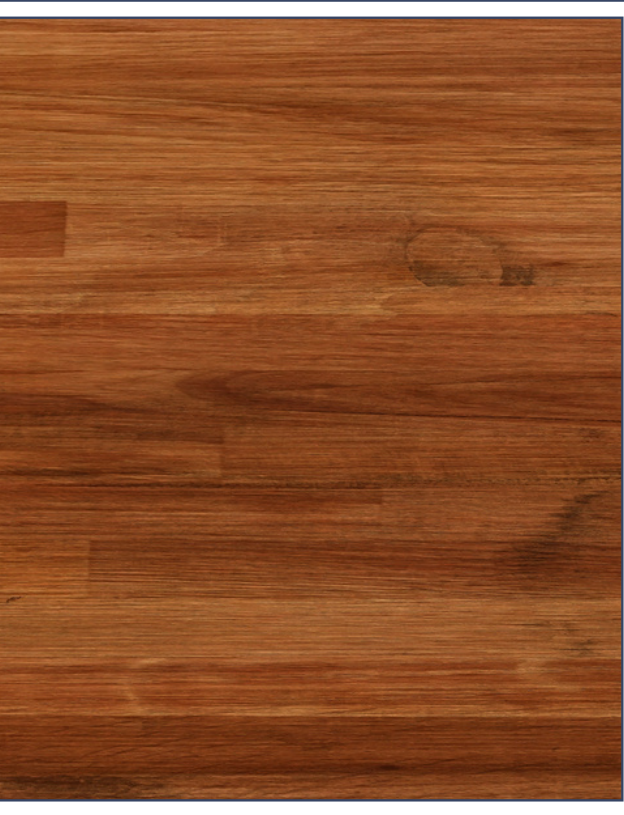

This weather-resistant and highly durable plastic decking retains its attractive appearance throughout the year with only a fraction of the maintenance time needed for standard wooden decking.

Conway offers several ranges of composite decking, pergolas, balustrades, cladding, and screens, each with varying warranties.

## ADVANTAGES OF OUR DECKING.

### Why Choose Composite Decking?

- **Stability:** Minimal movement from expansion and contraction. **Natural Aesthetic:** The standard for natural-looking composite.
- **Low-Maintenance:** Basic care is all that's required for optimal longevity. **Decay-Resistant:** Resists insects, moisture, and weather.
- **Eco-Friendly:** Sustainable manufacturing and use of raw materials.

## TIMBER DECKING SOLUTIONS FOR ANY OUTDOOR SPACE.

Composite decking is the perfect solution for low-maintenance and long-lasting outdoor entertainment areas.

This weather-resistant and highly durable plastic decking retains its attractive appearance throughout the year with only a fraction of the maintenance time needed for standard wooden decking.

Conway offers several ranges of composite decking, pergolas, balustrades, cladding, and screens, each with varying warranties.

## ENJOY THE NATURAL BENEFITS OF TIMBER DECKING.

### Why Choose Timber Decking?

- **Natural & Sustainable Resource:** Our timber decking is beautiful, environmentally sustainable, biodegradable, and renewable. The lowest carbon footprint to comparable building materials.
- With its remarkable strength-to-weight ratio and versatility, timber decking is ideal for any outdoor entertainment area.
- **Workability and versatility:** Highly machine-able, fabricated into diverse shapes and sizes.
- **Fossil fuel free:** Unlike other common building materials such as brick, steel, or plastic's production.

## ELEVATE YOUR HOME WITH CUSTOM TIMBER STAIRCASES FROM CONWAY FLOORING AND DECKING

Experience the ultimate in luxury with our custom-designed timber staircases.

Our skilled artisans use only the finest solid timber, including Oak, Kiaat, Teak, Meranti, Saligna, and Pine.
